2) B.Sc. Computer Science :- 3 Years, 6 Semesters

First Semester:
1. Computer Fundamentals
2. Digital Electronics
3. 8085: Microprocessor
4. Programming in C
5. Communication Skill I
6. Mathematical Foundation

Second Semester
1. Data Structure
2. Operating System I
3. 8086: Microprocessor
4. Adv Programming in C
5. Communication Skill II
6. Numerical Method
   & Discrete Mathematics

Third Semester:
1. Analysis of Algorithm
2. Operating System II
3. Peripheral & Interfacing
4. OOPS using C++/java I

Fourth Semester:
1. S.E. - I
2. DBMS II
3. DCN I
4. OOPS using C ++/
   JAVA - II
5. Computer Graphics I
6. PC Hardware
7. Web Fund I
8. Linux

Fifth Semester:
1. S.E.II
2. E-Commerce
3. DCN II
4. GUI programming
5. Computer Graphics II
6. Embedded I
7. XML
8. Dataware Hsg. and DM

Sixth Semester:
1. Soft.Test and QA
2. Theory of Computation
3. Ethics and Cyber Law
4. Dot Net Arch. & Prog
5. Computer Animation
6. Embedded II
7. Web Prog.
8. Mobile Computing
